Chapter 1 by Unusual_Abby

What's wrong with me you might ask? Everything. It all started when I was born. I was born with a lollipop in my mouth and a cup of hot cocoa in my left hand, reading a newspaper. For me this is completely normal. But to you, you call me weird. So I changed my name. My name is now Weird Random. It's very popular but people still don't hang out with me. So I started doing drugs. That got me to hang out with the Misunderstood Group. Eh. It's better than nothing.
